

“What a summer! And for once we’re not talking about the weather! We are lucky enough to have been appointed to some really great projects across a range of sectors. We were particularly delighted with our recent success in obtaining planning and listed building consents for major developments at Thornbury Castle.”

We’re very optimistic about the months ahead and look forward to working with many of you to deliver some really exceptional projects.”

Nick Childs

WE WERE TOLD IT COULDN'T BE DONE! PLANNING SUCCESS AGAINST THE ODDS!

Planning consents have been granted for proposals to extend and develop the historic Thornbury Castle, the luxury hotel in Gloucestershire. C+SA assembled an expert team to develop the proposals in dialogue with Historic England and all the other stakeholders .. [more](#)

CHILDS+SULZMANN ADVISING ON DEVELOPMENT SITES IN MONMOUTHSHIRE

Childs+Sulzmann have been appointed through a competitive tendering process to advise Monmouthshire County Council on the redevelopment of redundant council owned sites across the county. C+SA are exploring ways to maximise the development potential of the sites and are preparing designs for pre-application enquiries .. [more](#)

SIX WEEKS, FIVE PROPERTIES, £1.4M OF BUILDING WORKS & LOTS OF COMPLEX ISSUES!

That was the task set for Childs+Sulzmann by their client, national hotel and pub chain, JD Wetherspoon. This was by no means a simple task. The properties included historic listed buildings, all were in city centre locations with limited access and neighbours close by .. [more](#)

ABOUT CHILDS+SULZMANN

Childs & Sulzmann architects is an established practice based in Bristol serving a national client list. The Practice is lead by it's two founding partners Nick Childs and Peter Sulzmann, who are committed to good design and high levels of personal service. Whilst much of our work is won in competition, many of our clients retain us for a series of projects.

We have experience in both public & private sectors and our portfolio includes sports+leisure, hotels+restaurants, education, conservation, community and cultural buildings. The majority of our work ranges in construction value from £0.5-10M [.. more](#)
